

Security Accreditation Scheme (SAS) UICC Production (UP)

Company Name:	SecureID Limited		
Site Address:	Plot K9, Apapa Oshodi Expressway, Iyana-Isola, Lagos, Nigeria		
Certificate Number:	SD-LS-UP-0926	Valid To:	September 2026

Scope of Certification

SAS-UP Standard version:	9.3	Requirements (FS.18) version:	11.0
Generation of data for personalisation:	UICC		
Personalisation:	Card		
Management of PKI certificates:	Not carried out at this site		
Post-personalisation packaging:	Not carried out at this site		

Notes & Exclusions: SecureID personalises card form-factor UICCs on an OEM basis for a single customer. The customer organisation acts as a technology partner, supplying SecureID with tools for data generation and production management. Although encryption keys are used to protect production data and customer response files, mechanisms for management and use of these keys were setup by the customer organisation at the installation of the system. SecureID has not demonstrated any of processes or controls for key management as part of the SAS-UP certification process.
