If you have any questions, please do not hesitate to contact us via [tac@gsma.com](mailto:tac@gsma.com)

Yours sincerely

Global Administrator  
**GSMATypeAllocationCode**

The first 2 digits of the TAC identify the Reporting Body that allocated the TAC: 01 - CTIA, 35 & 98 - BABT, 86 - TAF, 99 - TIA

GSMA allocates TAC in accordance with industry specifications, such as TS.06, TS.30 and TS.37. The complete details of this scheme and training materials can be found <https://www.gsma.com/services>.

If you have any other questions, or to validate the authenticity of this certificate, please contact us at [tac@gsma.com](mailto:tac@gsma.com) with a copy of this certificate.

Please note:

GSMA has not licensed any website to provide TAC database lookup service. If you need details of the device data, or validate the authenticity of this certificate, please contact us at [tac@gsma.com](mailto:tac@gsma.com).
